Pricing as of June 2010

Drystack Cobblestone Block

\$8.00 ea
\$124 per m2
\$104 per m2 for orders
over 500 Blocks.
200mm thick
Weight = app 13kg

Perfect for retaining up to 1m. Easy on the back and easy to install, this walling system looks great and is one of the most simple retaining solutions available today. (illustration and data sheet on website)

Half Large Block

\$9.00 ea
\$120 per m2
\$100 per m2 for orders
over 500 Blocks
200mm thick
Weight = app 16kg

This block is half the height of our popular 'Large' block. It looks great as a stand-alone garden edging or wall or mix it in with a 'large' block wall.

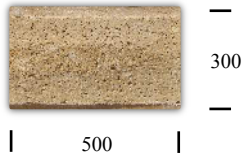

Small Block

\$9.00 ea
\$90 per m2
\$85 per m2 for orders
over 500 Blocks
150mm thick
Weight = app 16kg

An extremely economic block that looks great and can leave a perfect finish to that garden edging or small garden wall.

Large Block

\$18.00 ea
\$120 per m2
\$100 per m2 for orders
over 500 Blocks.
200mm thick
Weight = app 32kg

One of our most popular sellers, the large block looks like a large limestone / sandstone block perfect for a modern sandstone looking wall. While they have good mass weight, they are not so heavy that the owner-gardener can't install them themselves.

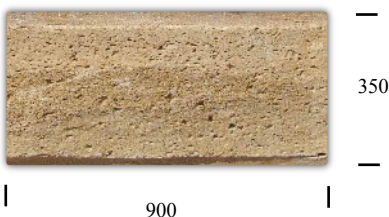

Long Block

\$18.00 ea
\$90 per m2
\$85 per m2 for orders
over 500 Blocks
150mm thick
Weight = app 32kg

Another economic block that is fast to install and can leave a perfect finish to that garden edging or small garden wall.

Big Block

\$55.00 ea
\$172.43 per m2
\$150 per m2 for orders
over 500 Blocks
300mm thick
Weight = app 65kg

Our largest and heaviest of blocks that provides the look of large limestone blocks. Perfect for the large garden or big rows of terracing.
